

LEGISLATIVE UPDATE Jan. 17, 2008

S.977, is a bill introduced by Senator Mike Fair, Greenville Co., that will allow an SPD that provides recreational services to voluntarily dissolve itself and transfer its assets and liabilities to a county if accepted by resolution of its governing body. This bill is similar to **H.3726**, dissolution legislation, which was introduced last year by Representative Cato and resides in the House Special Laws Subcommittee.

******ACTION REQUESTED******

Greenville County SPD's, please contact Senator Mike Fair and voice your opposition to this legislation for the following reasons:

- 1. This legislation will not let the Citizens of the district decide the fate of their district.**
- 2. The bill is easily amendable and sets a horrible precedent.**
- 3. There are already established methods for SPD's to dissolve themselves, why can't those methods of dissolution be used?**

Senator Michael L. Fair
