

LEGISLATIVE UPDATE 5/31/2007

It has come to our attention that an amendment has been offered on **H.3726, the dissolution legislation**; the proposed amendment would strike the process of getting signatures for a petition to dissolve; however it would authorize a referendum to be held on the question of the dissolution of the district. At this point, legal counsel is reviewing the amendment. The SPD Association will continue to update you on the status of **H.3726**.

H.4105, Reps. WD Smith, Davenport, Kelly, Littlejohn, Talley and Walker; the joint resolution provides for an advisory referendum to be conducted at the same time as the next party primaries to determine if the qualified electors of Spartanburg County favor legislation which would make it easier for municipalities to annex unincorporated areas. The resolution passed the House and has been committed to the Spartanburg Senatorial delegation.
