

LEGISLATIVE UPDATE 5/19/06

It is urgent that you contact your House Member and ask them to refer S.1427 to committee!

S.1427, *Matthews*, this bill would allow an SPD to be dissolved if the district has an outstanding indebtedness payable from revenues derived from the provision of one or more governmental services and to provide a method by which a district with outstanding indebtedness may be dissolved. This bill was introduced Wednesday, May 17 and placed on the calendar without being referred to a committee. Senator Matthews also made a unanimous consent request that the bill receive second and third reading on the next two consecutive legislative days which means for all practical purposes it has passed the Senate.
