RE: 2009 SCASPD Annual Conference

The 2009 South Carolina Association of Special Purpose Districts' annual conference is now history. I am taking your name and mailing address from the listing of conference attendees.

As your program committee chairman I hope that you think that the conference was informative and worthwhile. Our aim is to have topics that are worthy of your time away from your usual job back at your home district. You should be receiving by email or hard copy a questionnaire/survey asking for input (a critique) of the 2009 conference. Please take a couple of moments and complete the survey/questionnaire and send to the Association offices. If you have suggestions for the spring conference or next fall's annual conference please forward these suggestions with your response.

Hopefully you will remain active in our Association. I look forward to seeing you at future conferences.

Sincerely,

NORTH CHARLESTON SEWER DISTRICT

JIMMY L. GREEN
DISTRICT MANAGER
